## **Mission: DISCOVER - DEVELOP - DEPLOY**

**We would like to challenge each volunteer to discover a new volunteer that we can cross-train and prepare for action in volunteering in our nursery and children's church departments. After approaching someone who is willing to commit, a background consent must be filled out before going any further. Then, offer for them to sit in with you and observe your volunteer efforts, allowing them to ask questions. Your warm-handoff will help give them assurance, ease and peace of mind in accomplishing the task and ministry involvement. Look for them... They are out there waiting for you to ask!**

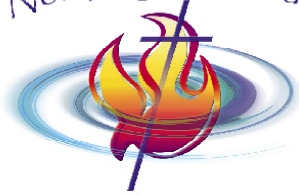

We would like to remind everyone that we are asking all 9AM volunteers to arrive by 8:45 a.m. and remain in the nursery until 10:30 a.m. & for all 11AM volunteers to arrive by 10:30 a.m. to relieve the 9AM volunteers. The main goal is to avoid any lapse of care time and have the nursery open from 8:45 - until 11 AM service ends, which is usually 12:15 - 12:30.

On behalf of Pastors Eric & Kimberly and myself, we want to sincerely thank you for your service in the Nursery and Jr. Children's Church. Your laboring efforts in this area of ministry helps New Image Outreach tremendously in effectively ministering to the many families that attend here. We appreciate you and your commitment to helping us serve God's people with excellence!

Thank you again for volunteering your time and the gift of love and service to our children!
